## Welcome

Welcome to Nimbus Labs. This handbook explains how our offices run day to day: working hours, attendance, emergencies, facilities and basic IT rules.

It is a living document; the latest version always lives in NimbusHR.

The Leadership Team, Nimbus Labs

## 1. Company Overview

Nimbus Labs Pvt. Ltd. was founded in 2015 and today has about 250 employees across engineering, product and client services.

Our head office is in Bengaluru, with a second office in Pune. We build data platform products for mid-size enterprises.

## 2. Working Hours

Standard working hours are 9:30 AM to 6:30 PM, Monday to Friday.

2.1 Lunch break is one hour, from 1:00 PM to 2:00 PM.

2.2 This gives eight paid working hours per day, with a 20-minute tea or coffee break in the middle of the day.

2.3 Core collaboration hours are 10:00 AM to 5:00 PM; meetings and cross-team work are scheduled inside these hours.

2.4 With manager approval, the start time may flex between 9:00 AM and 10:00 AM, keeping the eight-hour total.

2.5 Working on a Saturday or Sunday requires prior written manager approval and is compensated with a day off.

## 3. Attendance

Attendance is captured by biometric or RFID sign-in and sign-out at the office entrance, once in the morning and once in the evening.

3.1 Each working day is marked as Present, Absent, Late, or Half-day.

3.2 A day counts as Late when the morning sign-in happens after 10:15 AM.

3.3 Three Late marks in a calendar month trigger a counselling session with HR.

3.4 An unauthorised Absent day is first deducted from annual leave and then from sick leave, as per the Leave and Grievance Policy.

3.5 Attendance for the month is finalised by the 5th of the following month; disputes must be raised with HR within that window.

## 4. Emergencies

In any workplace emergency - medical incident, fire, earthquake or security threat - follow these steps in order.

4.1 First, notify your immediate supervisor, by phone or in person.

4.2 Second, contact the Safety Officer on extension 123 or at [safety@nimbuslabs.example](mailto:safety@nimbuslabs.example).

4.3 Move to the nearest marked assembly point; do not use elevators during a fire.

4.4 Fire and evacuation drills are conducted twice a year; attendance is mandatory.

4.5 Nearest hospital: Sunrise Medical Centre, 4 km from the Bengaluru office and 6 km from the Pune office.

## 5. Workplace Conduct and Facilities

Shared spaces work when we keep them clean and considerate.

5.1 Snacks and lunch can be carried to and eaten at your desk.

5.2 Strong-smelling food (raw fish, heavily spiced dishes) is not permitted in open seating areas; use the cafeteria instead.

5.3 Fridge items must be labelled with your name and the date; unlabelled items are cleared every Friday.

5.4 Waste goes into the colour-coded bins marked at every zone.

5.5 Keep phone calls on speaker to a minimum in open areas.

## 6. IT and Security Basics

6.1 Company systems use unique credentials; sharing logins is a disciplinary matter.

6.2 Passwords must be at least 12 characters and are rotated every 90 days.

6.3 Phishing or suspicious emails must be reported to [itsec@nimbuslabs.example](mailto:itsec@nimbuslabs.example) before opening attachments.

6.4 Client data must never be stored on personal devices or personal cloud storage.

6.5 Report a lost laptop or access card to IT the same day.

## 7. Facilities

Visitors must report to reception and take a visitor badge; hosts accompany visitors at all times.

The cafeteria serves lunch from 12:30 PM to 2:30 PM, Monday to Friday.

Bicycle parking is in Block C; car parking on the podium level is free for employees.

Gym access is available on the second floor with a valid employee card.
