1. Purpose and Scope

This policy defines how leave is earned, booked and managed at Nimbus Labs Pvt. Ltd. It applies to all permanent and contract employees working in the Bengaluru and Pune offices.

It covers annual leave, sick leave, compassionate leave, leave without pay, and the process for raising and resolving workplace grievances.

Where this policy and the Employee Handbook disagree on working hours or attendance, the Employee Handbook prevails.

2. Annual Leave

Every employee with at least twelve months of continuous service earns 20 calendar days of paid annual leave per calendar year.

2.1 Mid-year joiners earn annual leave pro-rata at two days per complete month of service in that calendar year.

2.2 Unused annual leave may be carried forward into the next year, up to a maximum of five days; any balance above five days lapses on 31 December.

2.3 Leave must be booked through the NimbusHR portal. Bookings more than ninety days ahead are not accepted.

2.4 Annual leave cannot be combined with a public holiday without manager approval.

2.5 The manager may reject a booking if team coverage would be affected, and must offer an alternative window.

3. Sick Leave

Employees are entitled to eight paid sick leave days per calendar year, available from the first day of employment.

3.1 For an absence of three or more consecutive days, a medical certificate from a registered physician must be submitted within 24 hours of returning to work.

3.2 Sick leave cannot be used on the same day as approved annual leave.

3.3 Sick leave does not carry forward to the next year.

3.4 Recurring sickness is handled by the manager together with HR on a case-by-case basis.

4. Applying for Leave

All leave requests are submitted through NimbusHR at least three working days before the proposed start date.

4.1 Requests of up to two days need approval from the reporting manager.

4.2 Requests of three to four days need manager approval plus acknowledgement by the team lead.

4.3 Requests of five days or more need written approval from both the manager and the team lead.

4.4 A request is confirmed only when every required approver has accepted it in NimbusHR.

4.5 Approved leave may be changed or cancelled at least 48 hours in advance.

4.6 Emergency leave taken without prior booking must be recorded in NimbusHR within one working day, with a short written explanation.

5. Raising a Grievance

Employees may raise any workplace grievance, including concerns about a manager, through the process below. Nimbus Labs guarantees no retaliation against anyone who raises a genuine grievance.

5.1 Step one: raise the issue with your direct manager and note the date.

5.2 Step two: if the issue is not resolved within five working days, send a written grievance to the HR Grievance Officer at grievance@nimbuslabs.example.

5.3 The written grievance should state the facts, dates, people involved, and the outcome you are asking for.

5.4 HR acknowledges receipt within three working days and aims to resolve the grievance within fifteen working days.

5.5 The grievance is handled confidentially and is shared only with people who need to know.

5.6 If the grievance concerns the manager or HR itself, it may be raised directly with the HR Grievance Officer.

6. Compassionate Leave

Two paid compassionate leave days per calendar year may be used when an immediate family member (spouse, children, parents) is seriously ill or requires care.

An additional five paid days of bereavement leave are available for the death of an immediate family member.

7. Leave During Probation

Annual leave accrues only after probation is confirmed; see the Onboarding, Probation and Benefits document (HR-007) for the probation rules.

Sick leave is available from the first day of employment.

8. Leave Without Pay

Once annual leave and sick leave are exhausted, an employee may request leave without pay, subject to manager and HR approval, for up to thirty days in a calendar year.

Salary and benefits pause for the duration of the leave.
